1-A7311-001

1 wet wipe, 1 dry wipe

Product overview

The Graviner approved cleaning wipes contains 25 pcs of individually packed pre-moistened cleaning wipes.

These are used as part of the routine detector maintenance process for general cleaning oil deposit removal inside the detector head and base.

It has been tested by Graviner to ensure that it does not affect the operation of the detector.

Graviner strongly recommend that only our approved cleaning and maintenance products are used to avoid detector head damage.
